Message from the
2018 Australasian Police and Emergency Services Games
Organising Committee

The Australasian Police and Emergency Services Games would like to begin by acknowledging the traditional custodians - the Pindjarup People - of the Peel Region, Western Australia and Australia and pay our respects to their Elders past, present and emerging.

We also acknowledge our gratitude that we share this land today, our sorrow for some of the costs of that sharing, and our hope and belief that we can move to a place of equity, justice and partnership together – a place of reconciliation.

AUSTRALIA and NEW ZEALAND POLICE GAMES TROPHY

The original trophy was initiated by the Victoria Police in 1984 as the National Games Trophy and was a large cup. In 1985, when New Zealand was admitted into the Federation, the trophy was redesigned to include the original cup, on a wooden base with carved maps of Australia and New Zealand.

Today the trophy has the representative badges of all Australian states and territory police services as well as that of the New Zealand Police Services. Only these services are eligible to win this trophy.

Under Federation rules applicable to this trophy, points are awarded for the three fastest times for the 100m Run, 1500m Run, 100m Freestyle, and 400m Freestyle, in the male and female categories. Five points are awarded for the fastest time, three points for the second fastest time and one point for the third fastest time. The services with the highest aggregate wins the trophy.

The XVII Australasian Police and Emergency Services Games – Australia and New Zealand Police Games Trophy was awarded to the Western Australia Police Force.

EMERGENCY SERVICES SHIELD

The Australia and New Zealand Police Games Federation initiated the Emergency Services Shield in 2003. All Emergency Services with Australia and New Zealand are eligible for the shield, embracing the spirit of police and emergency services competitors.

The shield is determined by the three fastest times for 100m Freestyle, 100m Run, 10km Road Race and the Individual Triathlon. Five points are awarded for the fastest time, three points for the second fastest time and one point for the third fastest time. The services with the highest aggregate wins the trophy.

The XVII Australasian Police and Emergency Services Games – Emergency Services Shield was awarded to the Western Australia St John Ambulance and Department of Fire and Emergency Services.
